CCCI Annual Membership Benefits

OUR VISION

The vision of Carnarvon Chamber of Commerce is attracting and sustaining membership throughout the entire business community.

2020/2021

With COVID 19 in 2020 creating a challenge for our local business community, our focus of our 2020/2021 membership program is to provide business recovery support to our members.

Together we can get through this unprecedented year. We will be utilising our own retained earnings to fund a Member Services Representative to better help our members.

Along with a 50% discount to our membership fees.

MEMBER BENEFITS

Annual membership benefits include:

- Entry to the Chamber Buy Local Campaigns,
- Be invited to attend *Business After Hours* and member networking events,
- Coordinated access to available business services i.e. mentoring, finance and counselling,
- Advocacy support, business information sharing,
- Discounted advertising and promotional services, and
- Community Groups / unincorporated auspicing services (fees apply)

BUSINESS RECOVERY SUPPORT

As a direct result of COVID we will be providing all members a 50% discount across all our membership packages.

We also aim to become a Gascoyne Chamber in 2020/2021, increasing our reach and providing a new range of membership packages to support other association groups across our region.

We will be employing a part-time Member Services Representative to provide the following additional support services:

- Increase Member Interaction;
- Investigate, lobby and resolve complaints and concerns
- Provide Member Support information
- Provide Marketing, Networking and Business Support services;
- Cross-sell products, support member initiatives, promote local opportunities
